Posted on October 28, 2026

Blue Ridge Lumber
Blue Ridge, AB T0E0B0, CAN

Forestry & Procurement

Full-Time

Requisition #: FORES018170

Description

West Fraser offers a range of exciting career opportunities for individuals seeking challenging and rewarding careers. The Woodland's Team at our Blue Ridge Lumber Division in Alberta, has an opportunity for a Planning Supervisor.

Reporting to the Planning Superintendent, as the Planning Supervisor you will be primarily responsible for harvest planning activities within assigned areas.

You'll do:

- Fieldwork including cutblock and road layout
- Preparation and submission of operational plans (Final Harvest Plan, Annual Operating Plan)
- Supervision of contractors and seasonal company staff
- Communication with the Government of Alberta, as well as various stakeholder groups

You have:

- Possess a Registered Professional Forester (RPF) or Registered Professional Forester Tech (RPFT) designation for Alberta (or be eligible and willing to earn this designation)
- Strong proficiency with GIS applications
- Strong commitment to safety
- Be a dynamic, career-minded individual
- Excellent communication and interpersonal skills
- Highly motivated with proven organizational skills

Considered an Asset:

- Preference will be given to candidates with 3-5 years of related Forestry experience

What We Offer:

- Competitive base salary with an annual bonus opportunity. The typical salary range for this position may vary depending on education and relevant experience.
- Comprehensive benefits: including medical, dental, and vision coverage, pension and saving plans, life, disability, and accident insurance, vacation time, paid holidays and additional benefits to support your well-being.

Your Workplace Location:

Located in Alberta, Blue Ridge and its surrounding area, which includes the cities of Whitecourt and Mayerthorpe, have populations ranging from approximately 200 to 10,500. These communities are located less than 2 hours West of the major City of Edmonton or 3 hours East of the world-renowned Jasper National Park. These communities offer affordable housing, recreational and educational facilities, regular community events, and many activities for the outdoor enthusiast year-round. It doesn't take long to feel part of our welcoming communities!

About Us:

West Fraser offers exciting career paths in trades, operations, professional services, engineering and forestry across more than 50 locations in Canada, the U.S., the U.K. and Europe.

From lumber to engineered wood products, West Fraser delivers high-quality, naturally renewable building materials to the world. In all aspects of our business, we're committed to responsible product sourcing and harvesting practices, backed by globally-recognized forest certifications.

Diversity:

At West Fraser, we strongly believe promoting diversity and inclusion is essential to our success. Our commitment to creating inclusive workplaces is reflected in our core values, and we constantly strive to foster a culture that values and respects every individual's unique background and perspective. By joining us, you will have the opportunity to be a part of a team dedicated to shaping a brighter future by embracing diversity and promoting inclusivity. Join our team at West Fraser and help us build a more diverse and inclusive community.

Sustainability:

West Fraser is fully committed to sustainable forest management as defined in our environmental policy, which is reflected in every aspect of our work. We adopt new technologies and innovations to create exceptional building materials. Wood products are a natural, renewable, recyclable, and environmentally sustainable choice for consumers who prioritize sustainability.
